

The Club WEEKLY

September 4, 2020

Announcements

Happy Labor Day! We are looking forward to an exciting COVID-19 edition of our Labor Day Celebration. Members will be participating in fun golf and tennis events with an option to purchase our “Let Us Do The Labor” Holiday Luncheon to go!

In observance of the holiday, the administrative offices will be closed on Saturday, September 5th and will reopen for normal business hours on Tuesday, September 8th. The Golf Pro shop will close at 3:00 pm on Labor Day. Members may play after 3:00 pm by registering at the bag drop. The driving range will close at 5:00 pm. The Tennis & Fitness Centre will be open until 12 noon.

Indoor dining at The Park Grille returned this week and the response has been very positive. The demand has not exceeded our capacity at 50% occupancy to maintain social distancing and it is obvious that everyone is feeling good about returning to the Club.

We have had some challenges with our stated mask requirement. Most members are happy to keep their masks on when travelling to and from their tables and we appreciate their consideration. We do respectfully ask that you use your mask whenever a staff member approaches your table to take your order, deliver food or clear your table. This is for their protection as well as yours and shows respect for our staff.

We have determined that we are unable to offer seating at the bar under the current COVID-19 restrictions. It is impossible to maintain social distance between the bartender and guests who are eating and drinking at the bar without masks. As a result, the bar stools have been removed and all indoor service will be seated at tables.

The Varsity Club remains CLOSED.

Masks and facial coverings **are required** when entering the Fitness Centre. **Masks must be worn covering both your mouth and nose at all times and may only be lowered when taking a drink. The exception is the use of a face shield and a mask which covers your mouth.** This includes any use of the Fitness Centre including cardio equipment workouts, accessing the restrooms and personal training sessions. Please come prepared with your own mask. Disposable masks are available should you forget yours.
